

BETWEEN THE SHEETS

OUR SEASON IS UNDERWAY ...

We are in the midst of our 2nd week of league play with one more 'Learn to Curl' session this Sunday Nov 20th. By all League accounts everyone is having a great time and ALL are glad to be back on the ice. A special thank you to our gang of Learn to Curl mentors who have spent their Sunday's volunteering their time to help our new and interested members along with Ross for making the club some additional stabilizers.

SO FAR WE HAVE 5 TEAMS ...

We would like three more so that we have one full draw!

Three teams are external and two are internal BCC teams. IF you have never participated in a Bonspiel before and would like to - here is your chance. Bonspiels are great fun and what the curling season is all about. We have missed them in recent years.

Our very own Real Desnoyers is catering the event as he has done in the past and as usual it will be a wonderful meal.

Let Lynne Lester know if you would like to participate and she will be happy to connect you with others to form a team.

STAYING HEALTHY AND SAFE

There continues to be evidence of community transmission of COVID-19 in Durham Region. This means that the virus is spreading in the community and is not necessarily linked to travel or other known cases. In addition case numbers already show that there will likely be a lot more flu activity this season than in the previous season. Everyone is encouraged to get their flu shot.

While it is not yet being mandated masks are strongly recommended to be worn in all indoor settings with people from outside of your immediate household. The BCC is a mask friendly environment. Feel free to wear your mask in the lounge when you are not drinking and remove when you head out on the ice.

We please ask that anyone who is sick stay home.

COVID-19

Masks continue to protect us.

OUR COMMUNITY CORNER - When we have space we are always happy to share any info on upcoming community events or news that will benefit our community. If you have not heard about the Wishing Tower brochures are at the BCC bar.

The Wishing Tower

by Ron Baird

Make Our Wishing Tower Come True

In early 2022, the concept design for the Wishing Tower was approved by the Brock Township Council and included in the framework for the Harbour Master Plan.

Beaverton Special Events with the generous support of donors and fundraising has already raised \$65,000 of the anticipated \$150,000 required to build and install this unique stainless steel, kinetic sculpture.

The design and creative support have been 100% donated by the artist, Ron Baird.

Additional community fundraising is critical to bring this gift to life.

This is your invitation to be a part of the Walk to the Wishing Tower.

Buy an Engraved Brick to Pave the Path

Our path is not paved with gold, but it could be paved with a permanent memory of your loved one, a family motto, or a wish for the harbour.

There are 3 options when purchasing a brick to pave the path to the tower.
