

BETWEEN THE SHEETS

On April 29th we held our virtual AGM and reviewed both the 2019/2020 and 2020/2021 fiscal years for the Beaverton Curling Club. This was unique for two reasons. It was the first time we reviewed two years together and the first time we were virtual.

Thank you to those that attended.

During the first Board of Directors meeting held in our new fiscal year on May 13th your BOD's elected their new executive. We are pleased to announce that Lynne Lester has once again agreed to stand as the President of the BCC. Lynne should not be a stranger to anyone at our club. She returns to this role as an experienced Board member, a talented curler and an active community volunteer. We are glad she could fit us in. Lynne served on the BCC Board from 2005 to 2016 and was the President from 2013-2014. Lynne will be the first to tell you that the BCC is her second home.

MESSAGE FROM OUR PRESIDENT

I am happy to be back and tell you that our plan is to re-open the BCC this Fall for our 2021/2022 season. No one more than I is looking forward to curling! We hope nothing will get in the way of this plan and that all of our members and community friends are staying safe and are fully vaccinated. As soon as we know our dates for registration, league play start and upcoming bonspiels we will let you know by email, Facebook and on our website.

The BCC has been very fortunate this past year to have such wonderful support from our community and members past and present. We are truly blessed and consider ourselves fortunate that we survived this pandemic. The support we received for our GoFundMe and our MacGregor Meat & Seafood Fundraiser was fantastic. Please take part in our second effort at this (you should have received the email already) AND read further on about our upcoming Golf Tournament. We can't wait to see you all in person. We also hope you will encourage your neighbours and friends to participate and come out and try curling this fall.

As you know it is the volunteers that make our club and behind the scenes your volunteer Board and Committees have been busy meeting regularly and working tirelessly this past 'COVID' year. We have a great team that I am proud to be part of.

I also would like to take this opportunity to thank our Past President Bruce Reynolds for his years of service to the BCC. Bruce resigned to focus on his family and our thoughts and prayers are with them.

Sincerely, Lynne Lester

We have an Olympian in our midst !

The daughter of our Board Member Jim Lye - "Joey Lye" is a member of the Canadian Women's Softball Team that won Bronze at the Olympics. Joey is here in Beaverton visiting her family to celebrate.

Congratulations Joey !!!!!!!
