

BETWEEN THE SHEETS

LET'S CURL - Our 2022/2023 season is about to begin!

NEW CURLERS are our FUTURE

It has been a month since our Sept 27th newsletter was issued just after our first registration night on Sept 22nd. Since then we held our second registration night Oct 6th and have continued to welcome further registrations via email. We have 31 NEW members this year to total 126 curlers. New members along with our 2nd yr members (new to the club last year) now make up over 60% of our curling membership. You are the future of our club and we hope you have a great experience this year.

STAY INFORMED

At the beginning of the season there is a lot of information to share with members, particularly if you participate in multiple leagues. WATCH YOUR INBOX and make sure info@beavertoncurlingclub.com is on your safe list so that important communication does not go into your junk or spam folder. ALL group mailings to ALL leagues will come from this email address. Of course you are welcome to email or call your individual league leads directly if you have any questions at any time. Past newsletters and our calendar of events are on our website beavertoncurlingclub.com that you can always refer to.

LEAGUE INFORMATION

If you are participating in Mon/Wed Day Mixed Tag, Wed Eve Men's or Thurs Eve Mixed you should have **already received** communication from your League Lead with respect to draw times, teams/contact information and schedules. IF YOU HAVE NOT received this information please advise. Also, IF there are any errors in this information please let us know.

LEARN TO CURL SESSIONS

We have 29 registered for our LTC sessions. **A specific communication to you is coming!** Some are brand new to curling (8) and wanted to give it a try first. We hope you decide to join either during or after your three LTC sessions! Other participants brand new to curling dove right in and joined. Don't worry - you will receive help during 'MEMBER practice week' before your first LTC session. Others need a refresher as they have not curled for sometime and several are 2nd yr curlers who feel they need some more help. Either way, the group of hosts/instructors will do their best to help you learn or improve your game.
